

# STIGMA STOPS HERE

## VIRTUAL TRAINING

**JANUARY 31, 2023**  
**12PM-1PM**

Stigma is one of the largest barriers for people who are seeking recovery. Due to this stigma, lives are being lost daily. Join us in learning how to stop stigma both personally and professionally.

## LEARNING OBJECTIVES INCLUDE:

- Defining stigma
- Effects of stigma, prejudice, and discrimination
- Identify the words we use, and how they affect individuals with mental health and substance use disorders
- Understanding the science of language
- Identify and debunk common myths and beliefs
- Utilize strategies to eliminate stigmatizing language, including a language audit

## MORE INFORMATION:
