## THREE20 RECOVERY OPEN HOUSE

### Participate in a community Q&A with Sheriff Balon.

At 10:00 AM on Saturday, May 20th, Porter County Sheriff, Jeff Balon will be doing a Q&A on what harm reduction looks like in our community, including providing overdose reversal resources like Naloxone and medicated-assisted recovery options like Vivitrol.

### And enjoy some delicious flapjacks with friends.

During the open house, Three20 Recovery's nutrition program will be whipping up a mouth-watering pancake breakfast free of charge for all attendees. Stop by anytime between 9:00 AM and 11:00 AM for some pancakes and get a tour of the Three20 Recovery facilities.

First 20 people to **RSVP** by **May 11th** will receive a harm reduction backpack.
