

# **JUNE 24<sup>TH</sup>, 2023**

## **CELEBRATING RECOVERY:**

### **YOUR STORY MATTERS:**

All our journeys through recovery hold merit and value. Sharing these journeys is how we as a recovery community can get better connected and better serve. It also motivates and strengthens others who may be struggling within their own recovery. We encourage anyone interested to come share their story and eat some good food and have some good fun!

**FREE FOOD,  
FRESH OFF THE  
GRILL!!**

---
